A MEMBER OF THE ROMA FENCE GROUP OF COMPANIES

HEALTH AND SAFETY POLICY STATEMENT

The Roma Fence Group of Companies is committed to the prevention of occupational illness and injury in the workplace. Roma Fence Ltd., on behalf of the Roma Fence Group of Companies, is responsible for implementing and maintaining a safe and healthy work environment for all employees. It shall be the responsibility of Roma Fence Ltd., its branch offices and manufacturing divisions, to comply with legislated and established safe work procedures and practices.

All supervisors are responsible to ensure that safe and healthy work conditions are maintained for workers under their supervision. Supervisors will ensure that machinery and equipment are safe and that workers work in compliance with legislated and established safe work procedures and practices.

A safe and healthy work environment is the basic right of all employees of the Roma Fence Group. It shall be the responsibility of all employees to work safely and follow legislated and established safe work procedures and practices. It is also the responsibility of all employees to report unsafe or unhealthy conditions.

Subcontractors working on or in our facilities or project sites and their workers are expected to meet or exceed the Roma Fence Group of Companies health and safety requirements. It is in the best interest of everyone on our premises and on our active project sites to consider health and safety in every activity. Commitment to health and safety must form an integral part of our organization.

At Roma Fence Ltd., its branch offices and manufacturing divisions, an injury and accident free workplace is our goal. Through continuous commitment from all workplace parties, we can accomplish this.

On behalf of the Roma Fence Group of Companies, I commit to the regular review of the H & S policies of our organization. I commit to promoting occupational health and safety in our work environments to enhance prevention of workplace injuries and occupational disease.
